Pursuant to instructions on August 15, 1951, at 11 a.m. Agent Suttler met Mr. Dan Bertrand, Secretary to Congressman Allen of Illinois and Congressman Allen's two young daughters of high school age, Mary and Lee, in the Director's Reception Room and conducted them on a special tour of the Bureau. *AT 2:10*

They were shown through the various exhibit rooms, the Laboratory, the traffic diorama and the basement range where both of the girls fired the Thompson submachine gun and retained their targets.

Mr. Bertrand indicated he knew Mr. Tolson, Mr. Tracy, Mr. Quinn Tamm and others in the Bureau. He stated he did not want a special tour as he realized we were quite busy at this time but he did want the Congressman's daughters to see as much of the FBI as possible in their limited time.

Agent Suttler told him we were very happy indeed to have the opportunity of taking the Congressman's daughters on a tour of the FBI and that we were delighted to know they were so interested in our work that they requested a tour of the FBI as their first stop in Washington.

SUBJECT: LEO EDWARD ALLEN (R)
CONGRESSMAN, 16th DISTRICT
OF ILLINOIS

LEO E Allen

The above captioned 60-year old Congressman from Galena, Illinois, and I have made contact and become well acquainted. Congressman ALLEN even made a brief appearance at our Rockford Law Enforcement Conference on October 21, 1958, where I had considerable conversation with him.

Mr. ALLEN is the Senior Republican Member of the Rules Committee and was Chairman of it in the 83rd Congress. He obviously has a very high regard for both the Director and the Bureau, and stated he would be glad at any time should there be any problems to be of any possible assistance that he can. I told him that he ought to take the opportunity after the beginning of Congress to make a call on the Director and tour the Bureau, so as to become better acquainted. He said that he would make every effort to so do.

Contact will be maintained with Congressman ALLEN while here in his home district, but it is suggested that the Bureau might desire to make contact with him during the coming session of Congress as apparently he is a long-term, well-respected member of the group.
